Address: 2801 N. Berkeley

Duluth, Georgia 30096

Year Built: 2007

Total Units: 600

Net Rentable: 75,600 sq. ft.

Acres: 6.4

PROPERTY OVERVIEW

The North Berkeley Lake Road property features 600 units across eight single-story buildings. Built in 2007, the facility rests on 6.4 acres of land with 75,600 square feet of rentable space. Amenities include surveillance cameras, individual locks, climate-controlled interior and drive-up exterior units, keypad entry, vehicle storage spaces, and on-site management.

LOCATION

The North Berkeley Road property is located in the city of Duluth on North Berkeley Lake Road, just southeast of Buford Highway (U.S. Highway 23). Buford Highway is a primary local east-west roadway, with the Pleasant Hill Road/Interstate 85 interchange about two miles south of the property offering regional access. The land surrounding the property is a combination of commercial and light industrial development along primary roads, with secondary roads leading to residential development. The North Berkeley Lake Road property is about 20 miles northeast of downtown Atlanta.

The Atlanta-Sandy Springs-Marietta MSA is among the fastest-growing metro areas in the United States in terms of population and household formation. The region is a hotbed for business, with four Fortune 500 companies—The Home Depot, UPS, Coca-Cola, and Delta Air Lines—established in the

city. Wal-Mart has recently moved its eastern states headquarters to Atlanta, as has travel technology leader, Travelport Ltd.

Atlanta and its surrounding areas lead the nation in attracting highly educated 25-34 year olds, which is among the most coveted demographics. Atlanta, with nearly one-fourth of all households exceeding \$100,000 in annual income, is one of the most major metropolitan areas in the country, and among the fastest growing.

This is neither an offer to sell nor a solicitation of an offer to buy the securities described herein. Only the Prospectus makes such an offer. This literature must be read in conjunction with the Prospectus in order to fully understand all of the implications and risks of the offering of securities to which it relates. Please read the Prospectus in its entirety before investing for complete information and to learn more about the risks associated with this offering. Some of the more significant risks include the following: our limited operating history and "blind pool" nature of the offering; this is a "best efforts" offering and some or all of our shares may not be sold; absence of a public market for the shares and lack of liquidity; as of December 31, 2011, our accumulated deficit was approximately \$43 million, and we do not anticipate that our operations will be profitable in the near term; dependence on our advisor to select investments and conduct operations; payment of significant fees and expenses to our advisor and its affiliates, which will reduce cash available for investment and distribution; conflicts of interest among us and our advisor and its affiliates; we may borrow funds, issue new securities or sell assets to make distributions, some of which may constitute a return of capital, and we are not prohibited from undertaking such activities by our governing documents; because of our focus on self storage; adverse conditions in this industry would likely have a greater adverse impact on our rental revenues; our board of directors may change any of our investment objectives, including our focus on self storage; we may incur substantial debt; and we may fail to remain a REIT if we breach covenants under our loans with KeyBank National Association, we could be held in default under such loans, which could accelerate our repayment date Future distribution declarations and the sold discretion of our board of directors and are not guaranteed. Since our inception, our cumulative distributions have exce
